

**CANCER SUPPORT
COMMUNITY**
SOUTHERN CALIFORNIA

In addition to providing support groups, education, and classes the CSC SoCal affiliates are a part of a national network that provides even more resources for cancer patients & their families

**CANCER EXPERIENCE
REGISTRY.**

A PROGRAM *of the* CANCER SUPPORT COMMUNITY 

An online community for people facing cancer to share their experience, take surveys and access resources.

www.cancerexperienceregistry.org/join/CSCLA

**CANCER SUPPORT
HELPLINE**
888-793-9355

Toll-free phone support service. Provided by Licensed Mental Health Professionals with expertise in financial counseling, genetics/genomics, pediatric cancer, clinical trial navigation

A decision support counseling program to help patients prepare for appointments and decisions, focused on facilitating open communication with healthcare teams about patient's priorities. Call the HELPLINE at **888-793-9355** to get connected.

MyLifeLine.org
connect. inspire. heal.

Create your own private website using MyLifeLine. to find hope, regain control, document your journey, and receive social, emotional, and practical support from friends and family throughout the treatment process and beyond.
